Re: U.S. v. Larry Hill
Crim. No.: 03-188 (WHW)

Dear Judge Walls:

Enclosed please find a proposed Consent Order terminating Mr. Hill's supervised release. Mr. Hill was sentenced by Your Honor on February 10, 2004 to a term of 60 months plus three years supervised release. His supervision commenced on April 6, 2007 and was due to expire on April 6, 2010.

On October 26, 2007, the United States Probation Office petitioned the Court for a violation of Mr. Hill's supervision based upon an arrest that occurred on September 15, 2007 in Essex County. The parties all appeared before Your Honor on October 3, 2007 and the Court agreed to postpone any hearing on said violation until Mr. Hill's case was resolved. Ultimately, after three years, the State case was disposed of with a three-year period of probation. In that time, Mr. Hill has been compliant with all the terms and conditions of his supervised release. In fact, Mr. Hill's court mandated period of supervision expired (but for the pending violation) in April of this year. Having discussed these issues with all the parties concerned, we are in agreement that since Mr. Hill will have three years of supervision at the State level, it is in the interest of justice to allow his federal supervision to be terminated.

Respectfully,

Stacy Ann Biancamano
